

Youth Partnership for Change presents:
Making Connections: Empower your Students

FACT: 74.9% of high school students had at least one drop of alcohol on one or more days during their life. (Journal of Alcohol & Drug Education, Jun2006)

FACT: Youth who engage in service are 50% less likely to abuse drugs, alcohol, cigarettes or engage in destructive behavior.

TEACH YOUR STUDENTS TO BE EFFECTIVE LEADERS

FREE Two day training designed to teach **YOU** how to effectively recruit, train, and support your students in their efforts to reduce underage alcohol use in their communities. Teach **THEM** to make the difference.

February 26 & 27, 2007

Information that will be included: Sessions about alcohol and its effects on the adolescent brain, activities to promote service learning, effective youth empowerment strategies and extensive discussion with colleagues.

MAKING CONNECTIONS IS THE FIRST STEP TO CREATING LEADERS
